

Northland Royals

Homeschool Girls Volleyball Team

Sponsor the Northland Royals!

The Northland Royals is a competitive homeschool girls volleyball organization located in the Northwest suburbs. Commencing their 16th season in August of 2025, the Royals will compete in the HSWIL Conference, which includes 10 homeschool teams from Illinois and Wisconsin, as well as play games with local area private schools and local and regional tournaments. The Northland Royals teaches volleyball to girls entering grades 4-12. In addition to volleyball training, the program assists girls in developing character, work ethic, teamwork, perseverance, and sportsmanship.

The Royals will promote local businesses that sponsor their 2025 season through our website and print materials. Sponsors help defray the expenses incurred for equipment, gymnasium rental, and referees. Being volunteer-run and not being affiliated with a school, the Royals receive no outside funding. Sponsors can make a tremendous difference. Please consider helping the Royals with a sponsorship this year.

Every sponsor that contributes at least \$100 will also receive a framed team photo to display at their place of business. Donations should be made payable to the "Northland Royals" and sent c/o Stephanie Lewis, 585 E. Thornhill Ln., Palatine, IL 60074. Please complete and include a copy of the attached sponsor identification form. Business logos for the website (northlandroyals.com) as jpeg or png files can be emailed to board@northlandroyals.com.

Thank you for your consideration!

I would like to sponsor the Northland Royals for the 2025 season.
